

State Highway Projects Proposed to be Funded by the American Recovery and Reinvestment Act (ARRA) As of March 12, 2009								
NOTES:								
(1) This list is subject to revision. Circumstances currently not anticipated may prevent projects from moving forward as planned.								
(2) Letting dates are subject to change.								
(3) The total programmed amount exceeds available ARRA funding of approximately \$228 million. The actual amount of ARRA funding used for each of these projects, if any, will be determined based on the outcome of the contract lettings and whether the project moves forward as currently scheduled.
